ROGER MARTIN

ENGLISH <> SPANISH TRANSLATOR

MARKETS SERVED

I focus on a few selected industries for which I have the necessary in-depth understanding and familiarity to provide precise and fluid translations of Technical and/or Business nature. Among them are the **Oil & Gas, Energy, Chemical & Petrochemical, Engineering & Construction, Insurance, Manufacturing, Mining, Steelmaking, and Water & Waste Treatment** industries.

Clients I have served include **ExxonMobil, Chevron, Fluor, BHP Billiton, Weber Grills, and Benjamin Moore**, among dozens others.

SERVICES OFFERED

- **TECHNICAL TRANSLATIONS:** Technical Specs, Installation Manuals, Drawings, SDS/MSDS, Safety Manuals, etc.
- **HUMAN RESOURCES/SAFETY:** Human Resources policies and manuals, Safety manuals and presentations, etc.
- **BUSINESS TRANSLATIONS:** Financial Statements, Contracts, Operation Manuals, Newsletters, Proposals and Tenders, etc.

EXPERIENCE

- Since 2000, I have been a full time English < > Spanish translator with over 5200+ successfully completed projects
- Prior 20 years' experience in the Oil & Gas and Chemical industries in Latin America in a variety of roles, including: Plant, Procurement, and Project Management roles; M&A Lead Executive; and General Manager.

CERTIFICATIONS & DEGREES

- Certified by the American Translators Association (ATA) for English into Spanish translations (Certification #453818.)
- Degrees in Chemical Engineering (B.Sc.) and Biochemical Engineering (M.Sc.) from University College London (UK.)
